

ORACLE®

CERTIFICATION PROGRAM

Examination Score Report

Laxmi Prasanna Kandimalla

Oracle Testing ID: OC1849484

1Z0-808 Java SE 8 Programmer I

Exam Date: 01/11/2019

Registration: 347298966

Center ID: 56021

**Your
Score:** 75%

**Passing
Score:** 65%

Result: Pass

Feedback on your performance is printed below. The report lists the objectives for which you answered a question incorrectly.

- Apply access modifiers
- Apply encapsulation principles to a class
- Apply the static keyword to methods and fields
- Compare and contrast the features and components of Java such as: platform independence, object orientation, encapsulation, etc.
- Create and manipulate Strings
- Create and overload constructors; differentiate between default and user defined constructors
- Create methods with arguments and return values; including overloaded methods
- Declare and initialize variables (including casting of primitive data types)
- Define the scope of variables
- Define the structure of a Java class
- Describe the advantages of Exception handling
- Differentiate among checked exceptions, unchecked exceptions, and Errors
- Explain an Object's Lifecycle (creation, "dereference by reassignment" and garbage collection)
- Know how to read or write to object fields
- Use abstract classes and interfaces
- Use super and this to access objects and constructors

If this is the final exam in your certification path, you are required to complete the following steps.

- Visit certification.oracle.com and select your certification path to ensure you are aware of all certification requirements.
 - Note that completion of the required training and approval of the course submission form are also required in paths that require training.
- Check certview.oracle.com to confirm that all completed components are in your profile.

- If exams that you have taken do not show up, you may have taken them under a different Oracle Testing ID.
- Contact www.pearsonvue.com/oracle/contact to merge your IDs (provide all IDs under which you have taken exams or submitted forms and confirm which ID should be the 'surviving id').
